

HECO-TOPIX®-plus

Product information

HECO-TOPIX®-plus is a real screw highlight, combining concentrated technological expertise and wide range of tangible user benefits in a single wood screw. The secret: Our HECO-TOPIX®-plus combines the best properties of four HECO ranges!

With the innovative properties of the HECO-Drive, GripFit, MagicClose and PerfectPitch, a new, integrated drive size concept and high-quality system accessory, HECO-TOPIX®-plus is the perfect wood screw for practically all applications.

Makes the best even better.

Countersunk head with milling grooves

Excellent milling features in wood, no damage to the surface with metal fittings

MagicClose®

Patented full thread pulls timber fixtures together without gaps and without pretension

GripFit®

Single-handed working possible thanks to the HECO-Drive

PerfectPitch®

Optimal thread pitch for every screw length

HECO-TOPIX tip

Eliminates the need for pre-drilling, reduces the risk of the wood splitting
